

East Renfrewshire Health & Social Care Partnership

60-64 Flu Vaccination Programme

East Renfrewshire Health and Social Care Partnership will be running drop in flu clinics for people aged 60-64 on the dates detailed below.

In order to keep patients and our staff safe we are inviting East Renfrewshire residents to attend a specific clinic based on your GP practice. This will help us ensure social distancing measures are adhered to.

If you are unable to attend the clinic scheduled for your GP practice or you live in East Renfrewshire but your GP practice is not listed below you are able to attend any of our clinics in the afternoon between 1pm and 3pm or arrange an appointment at a participating community pharmacy to receive your vaccination.

When attending the drop in flu clinic it is important to bring your letter with you.
